

PROUDLY SERVING BUILDING TRADES MEMBERS FOR OVER 30 YEARS

rxivpharmacy.com

— WE ARE PROUD TO ANNOUNCE THAT RX IV PHARMACY IS THE —

PREFERRED PROVIDER

OF INFUSION THERAPY FOR PLUMBERS LOCAL 98

Rx iv's Specialty Pharmacy offers comprehensive support for IV therapy, including Unit & Multiple Dose Packaging, Home Delivery, 24/7 Access to a dedicated Pharmacist, Nursing Care at Home, Management of Medical Records, Infusion Therapy, Respiratory Therapy, and Medical Supplies to ensure patients receive safe, convenient care at home.

Intravenous (IV) therapy is a treatment where fluids or medications are delivered directly into a patient's bloodstream, allowing them to work quickly and effectively. IV & Injection Therapy can be used for a variety of conditions, including migraines, Crohn's Disease, Colitis, GLP-1 treatments, antibiotics, antiviral drugs, immune system support, and more.

Utilizing Preferred Arrangements improves quality, lower costs up to 30%, and enhances patient experience through continuous care management for better health.
