NOTICE: BASIC INFORMATION ABOUT PLAN LOANS

The U.A. Local No. 393 Defined Contribution Plan permits participants to borrow a portion of their account balance in the Plan, as authorized under 29 C.F.R. Sec. 2550. This notice explains the rules of the Loan Program and the tax consequences in the event of the default of a Plan Loan. If you are considering a Plan Loan, read this notice in full.

GENERAL RULES OF THE LOAN PROGRAM

In many ways, a Plan Loan is the same as any other loan, however, a Plan Loan is different from ordinary loans if you default. If you default, your loan becomes a distribution from the Plan. You are liable for regular income taxes, plus a 10% federal tax and 2½ % state tax for a premature distribution if you are under 59½, plus possible penalties. You should not take a Plan Loan if you intend to, or are likely to, default.

1. PURPOSE FOR A PLAN LOAN

You may use your Loan for any purpose except establishing a company in the Plumbing and Pipefitting Industry, unless that company is signatory to a collective bargaining agreement with the Local Union of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada having jurisdiction over the company's work in its geographical area of operations. You will need to provide proof of your use of the Plan Loan for this purpose. If the purpose of your loan is to purchase your primary residence, you may repay the loan in a period not to exceed thirty years. Otherwise, the repayment period may not exceed five years.

2. AMOUNT OF MONEY AVAILABLE

The amount of money you may borrow from the Plan may not exceed the lowest of the following amounts:

- The amount of money needed for the purpose of the loan
- Half of your account balance
- \$50,000

You are only permitted two outstanding loans at a time. The maximum amount for a second Plan Loan is \$50,000, reduced by the excess (if any) of

- (1) the highest outstanding balance of loans from the plan during the 1-year period ending on the day before the date on which such loan was made, and
- (2) the outstanding balance of loans from the plan on the date on which such loan was made.

3. QUALIFYING FOR A PLAN LOAN

To qualify for a Plan Loan, you will be required to repay your loan via ACH (Automatic Clearing House). An Authorization Agreement for ACH Direct Payment form is provided to allow automatic payments from your financial account of choice. You may not take out more than 2 loans at the same time. Furthermore, you cannot receive a Plan Loan if you have defaulted on a prior Plan Loan within the last 7 years. **Caution:** If you default on this loan, you will not be permitted to take another loan until 7 years after the date of default.

NOTICE: BASIC INFORMATION ABOUT PLAN LOANS *(continued)*

4. USE OF YOUR PLAN BALANCE AS SECURITY

When you take a Plan Loan, you pledge that portion of your account balance as security for your loan. If you are married, your spouse must consent to the use of your Plan assets as security for the loan. While you are repaying your loan, the only income you accrue on your loan balance is the interest you pay, not a share of the interest of income of the Plan as a whole. If you default, your retirement benefits are reduced by any part of the Loan that you do not repay. As you repay your loan, your account balance is restored and accrues interest and income.

5. PENSION LOSSES AND TAX PENALTIES IF YOU DEFAULT

If the Plan is unable to perform an ACH deduction due to insufficient funds in your account, which is not fixed within 30 days, you will be notified by the Plan that you are delinquent and that you are at risk of being in default. If you are 90 days late, the Plan will notify you that you are in default, and your loan will be declared a distribution from the Plan.

Once your loan is declared a distribution, the unpaid balance is lost as a pension benefit. You may not repay the loan later to restore your account. You lose the income and tax savings that you would have earned under the Plan for the defaulted amount of the loan.

6. IF YOU DEFAULT, YOU BECOME LIABLE FOR SUBSTANTIAL TAXES

All participants who default owe income taxes on their distribution. As required by federal law, distributions are reported to the IRS and to you and the end of the year.

You may also owe other taxes. If you are under the age of 59½, you will owe a federal tax of 10%, and a state tax of 2½%. In addition, you may owe a penalty for failing to have sufficient taxes withheld. If you are unable to pay your taxes, you will be liable for IRS penalties and interest.

7. GENERAL ADVICE FROM THE TRUSTEES

You should not apply for a Plan Loan if you cannot repay your loan, or do not intend to repay your loan. The Trustees must discourage defaults to protect the Plan and the participants. If you are unsure about whether you will be able to repay your loan, you should consider the taxes you will pay if you default. Furthermore, please be aware that the interest paid by a member on a Plan Loan is not tax deductible.

PLAN LOAN APPLICATION INSTRUCTIONS AND INFORMATION

By submitting this application, you are agreeing to be bound by the rules of the Loan Program. These rules are explained in the notice “Basic Information About Plan Loans”.

Loan Fee: An application fee of \$125 will be charged to your Plan account regardless of whether your application is approved or denied. You may withdraw your application at any time.

If you are married, your spouse must consent to the use of your account balance as collateral.

If you are requesting a loan to purchase your primary residence, you must provide proof, such as a purchasing agreement, before you receive your loan. You may request advance approval of your loan, which will then be finalized upon receipt of the documentation.

Once you qualify for a Plan Loan, you will be provided with the full disclosure of the terms of your loan via email from NWPS, the Plan’s recordkeeper (393loans@nwpsbenefits.com). You will then have 30 days in which to accept the loan by signing the Promissory Note and Security Agreement, promising to repay your loan, and pledging part of your account balance as collateral for the loan. If you need more than 30 days to decide, you may request an extension in writing. However, if you do not decide within 30 days of submitting your application, you must reapply.

Loan Disbursement: After you accept your loan, it will be issued to you via check or ACH deposit by NWPS, the Plan’s recordkeeper.

Repayments: Your loan will be amortized in equal repayments over the loan term. Your loan repayments must be made by ACH deduction on the 1st of each month to ensure timely repayment of your loan. You may repay your loan in full, plus any outstanding interest, at any time with no prepayment penalty.

Past Due: You will be notified if your repayments are 30 days late, and again if 60 days late. If you are 90 days late, your loan will be in default. If you default on your loan, it will be declared a distribution under the Plan, and the IRS will be notified. Your account balance will then be reduced to cover the amount of the unpaid balance. If you were under the age 59½ when you received your loan, you will be liable for a 10% federal excise tax and a 2½ % state excise tax (in addition to your regular tax rate) for a premature distribution from a pension plan.

You will not earn any market gains (or losses) on the unpaid balance of your loan. Instead, you will only earn the interest you pay yourself on the balance of your loan. All the principal and interest you pay is credited to your account balance. The interest paid on your loan is not tax deductible.

Your loan will affect your rights for distributions from the Plan in several ways:

- No distribution will be made of the pledged portion of your account balance while it is used as security for your loan.
- If you qualify for a distribution upon retirement and you have an outstanding loan balance, you may have the loan declared a distribution (with spousal consent, if married).
- While you have an outstanding loan, the amount of money available for a Hardship distribution will be reduced by the unpaid portion of the loan which is attributable to elective contributions.
