Help Protect What Matters Most

The life you're building for yourself and your family is precious. Every financial decision, every first step, every milestone — these are the things that matter. Think of insurance as a financial safety net that can help protect you when life doesn't go as planned. Western States Health & Welfare Trust Fund of the OPEIU provides benefits to help make sure you and your loved ones keep moving forward.

In this guide, you'll find details about your group insurance from Standard Insurance Company (The Standard) and the form you need to assign your beneficiaries.

Protection for Your Loved Ones

Life insurance helps provide support and stability to your family if something were to happen to you. It can help your family financially through a difficult time and provide support into the future.

Accidental Death and Dismemberment (AD&D) insurance helps protect against a sudden financial loss brought on by an accidental death. It can also help pay for the high cost of living associated with surviving an accident that results in a severe physical loss.

Your Employer-Paid Benefits

Group Basic Life and Accidental Death and Dismemberment Insurance

Basic Accidental Death and Dismemberment (AD&D) insurance may provide an additional amount in the event of a covered death or dismemberment as a result of an accident.

The cost of this insurance is paid by Western States Health & Welfare Trust Fund of the OPEIU.

Online Will Preparation

A simplified way to take care of important life matters

If creating a will has been on your radar, Online Will Preparation can help you get it done. Use this easy tool to help make important decisions for you and your family. Online Will Preparation is included in the Life Services Toolkit, an additional service with your Group Life Insurance from Standard Insurance Company (The Standard).

Why Create a Will?

A will is a legal document that describes how you want to divide up your assets after your death. If you don't have a will, state law will determine how your assets will be divided. A will can also be used to designate a guardian for minor children. Moreover, a will helps your family and friends understand your wishes.

How It Works

Online Will Preparation is an easy-to-follow process. Just answer a series of questions — on your own time — and watch as the document is created. You can save and close the document at any time, then work on it later. After you've created the will, follow instructions to complete the process.

Start Creating Your Will

Go to standard.com/mytoolkit.

In the username field, enter "assurance."

Locate the step-by-step instructions for creating a will on the home page.
