RE: Delta Dental Benefit Enhancement

---

This document is a Summary of Material Modifications (“Summary”) intended to notify you of an important change made to the Glazing Health and Welfare Trust Summary Plan Description (“SPD”), since the SPD was distributed to you.

Effective February 1, 2024, the Board of Trustees increased and enhanced the dental benefits provided by Delta Dental. Costs incurred under Diagnostic and Preventive Benefits (cleanings, exams, x-rays and sealants) will be removed from the use of the calendar year maximum. This improvement leaves more of the calendar year maximum available for other standard dental treatment.

Please contact the Health and Welfare Trust Administrative Office at the following address or telephone number, if you have any questions concerning this Summary or the Health & Welfare Trust Rules and SPD: BeneSys, Inc., 8311 W. Sunset Road, Suite 250, Las Vegas, NV 89113, telephone number (702) 415-2191.
