IMPORTANT INFORMATION REGARDING IRS FORM 1095-B FOR TAX YEAR 2021

To: All Participants Eligible for IRS Form 1095-B Health Coverage
From: Cement Masons and Plasterers Local 797 Health and Welfare Fund
Re: IRS Form 1095-B

IRS Form 1095-B is a tax document that includes information about the health coverage provided for one or more months during the year to Cement Masons and Plasterers Health and Welfare Fund participants and anyone they may have included on their insurance throughout 2021. Beginning with the 2019 tax year, the IRS penalty for not having health coverage was reduced to zero. As such, individuals no longer need the information contained in IRS Form 1095-B to file a federal income tax return. Likewise, participants do not need the information contained in IRS Form 1095-B for filing their state tax returns unless they live in New Jersey, California, Rhode Island, Vermont, or the District of Columbia.

The Plan has elected not to send IRS Form 1095-B (“Health Coverage”) for the 2021 tax year, as permitted by IRS Notice 2020-76. You do not need to file the form with your federal tax return, but some participants may need the form to comply with state reporting requirements. Participants and beneficiaries may request a copy of their Form 1095-B by:
