PERIODIC DRUG SCREENING

Please bring this form with you at the time of your specimen collection. Please remember the lab will need to see picture identification. Please make sure the collection site gives you your copy of the request/consent form as you will need to give a copy to the Union or your employer within 24 hours of notification to test.

** Once you have checked in you must stay to complete the process or it will be a refusal to test. Be prepared to complete the process in three hours or less. ** Updated 02/2020

IMPORTANT: Are you on medications that may make your test positive?

You can speed the verification process by keeping your medications on file.

Call the Trust Office or visit the website to find out how!
