

Inlandboatmen's Union of the Pacific Pension Trust

Administered by A&I Inc.

Retiree Application Downloaded from Website

The application must be completed and submitted to the Administrative Office with the required documents to receive the Benefit Selection forms showing calculations for the retirement benefit options which apply to you.

You must terminate all employment within the industry and receive all wages, ATO, vacation pay, sick pay, etc before your retirement can begin.

- ✓ The enclosed forms provide information on retirement, benefit options and return to work information.
- ✓ Please complete all forms and return to our office by mail.
- ✓ Please provide all documentation requested in the application and return along with the application. Copies of documents are fine -- we do not need the originals.
- ✓ We appreciate you submitting your application prior to the date of retirement, however, please do not submit more than 180 days prior to the date that you wish retirement benefits to commence.

If additional contributions come in, the benefit will be recalculated before your retirement date.

If you have any questions please give our office a call or email our office from the website.
