Sheet Metal Workers Local 80 Annuity Fund

RE: Addition in Investment Options – Effective November 15, 2017  
Important information about your investment lineup

DATE: October 2017

As a participant in the Sheet Metal Workers Local 80 Annuity Plan, you deserve a retirement plan that is well equipped to help you pursue your long-term financial goals. The Board of Trustees recently reviewed the investment options offered through the Plan and, upon the recommendation of the Fund's Investment Consultant, decided to make the following addition, effective November 15, 2017:

- The MassMutual Premier Small Cap Opportunities Fund (MSVYX)

*What if I want to add this new investment to my portfolio?*

If you are interested in adding this new investment to your portfolio, you simply need to go to [www.yourplanaccess.com/benesys](http://www.yourplanaccess.com/benesys) and add the investment option under "Manage Investments".

*What are the objectives of the new fund?*

MassMutual Premier Small Cap Opportunities Fund is an open-end fund incorporated in the USA. The Fund's objective is long-term capital appreciation. The Fund invests at least 80% of its net assets in the securities of companies whose market capitalizations at the time of purchase are within the range of capitalization of companies included in the Russell 2000 Index.

*Why is the addition taking place?*

The Board, upon the recommendation of its Investment Consultant, has selected the addition to the investment portfolio options based on cost, composition and return history to add diversity to the plan's investment line-up.

*Questions?*

If you have any questions about this change or any investment matters, please contact Timothy Brice from The Brice Group at (248) 593-2475. For other questions about the Fund, please contact the Fund Office at 248-641-4980.
