Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$250.00/individual or \$600/family. Doesn't apply to prescription drugs. Balance billing, excluded services <a href="#">deductibles</a> for specific services (i.e. dental), do not count toward the <a href="#">deductible</a> .	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	No.	You will have to meet the <a href="#">deductible</a> before the plan pays for any services.
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Not applicable.	This <a href="#">plan</a> does not have an <a href="#">out-of-pocket limit</a> on your expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Not applicable.	This <a href="#">plan</a> does not have an <a href="#">out-of-pocket limit</a> on your expenses.
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="https://individual.carefirst.com/">https://individual.carefirst.com/</a> or call 1-800-810-2583.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a referral.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible\\*](#) has been met, if a [deductible](#) applies.
